Our Lord Jesus is resurrected

Let's continue to seek

the things above

where our Lord is seated at the right hand of God

Let's not to set our minds on things of earth

but on the things above from Glory to Glory

as we are being transformed into the likeness of the Lord

2

The greatness of knowing Christ

all things are dust and

ashes

progressing toward the Crown of God

Let's continue to run

Our citizenship in heaven

Receiving eternal reward

The old has passed away ,Behold all things are made in  
new

ダビデの街 The City of David

The city of David where the Lord loved  
Even when we are powerless.

through your love and grace .

It's built by your grace

Only by your love and grace

When we fall .

The City rises up

While we sleep

The Lord is at work

① Those who have stumbled

Gather here

Those who are wounded

come to this city

Those who have nowhere to go

come to this place

Sinners. in a hurry

To this City

② Those who have stumbled rise up

The Wounded are healed

Those who have nowhere to go are needed

Sinners are forgiven by the Lord and set free

{coda}

Jesusalem loved by The Lord

The fallen City will be rebuilt

A town of faith raised up here

Only by His love

{ending}

By love alone

May His Glory be to the Lord

信じます I Believe

We give thanks for our weaknesses,

For nothing is in vain before the Lord.

We offer our gratitude and praise,

As the hand of the Lord moves and His glory is revealed.

We believe that behind this, there is a wonderful plan of the Lord.
